Compulsory Poomsae

All Poomsae will be drawn by lot for each category out of the corresponding pool of compulsory Poomsae. The forms have to be presented in the same order as they were drawn.

The drawing of the Poomsae will be performed by the competition board on Monday, **30th Mai** 2016, and will be sent out immediately thereafter via TPSS to all subscribed clubs. It will also be announced on austrianopen.otdv.at

Method of Competition – Recognised Poomsae

Combination System: Cut off system + Elimination tournaments system

- **1st round (Preliminary; 20 or more contestants):** Two Poomsae in accordance with drawing, the best 50% proceed to the next round. If the number of contestants is odd, then the number will be rounded to make even. (E.g. if there are 25 contestants in the category, then 13 contestants shall advance to the semi-final.)
In order to keep the time schedule, very large categories can be split into 2 pools, each group performing on a different court. In that case the best 50% of each pool will advance to round 2.
- **2nd round (Semi-final; 9 to 19 contestants):** Two Poomsae in accordance with drawing, the best 8 athletes qualify for the final.
- **3rd round (Single Elimination tournament system only in Final; 1 to 8 contestants):** Two Poomsae in accordance with drawing.
- **Single Elimination Tournament System for all WTF Poomsae Ranking Divisions:** U30; U40; U50; U60; U65; O65.

Adult individual divisions female and male, single elimination from first round, according to the World Taekwondo Federation Poomsae World Ranking Bylaw (in force as of January 1st, 2016).

Note: The individual, pair and team divisions up to 11 years – **Children** – will start from semi-final (9 and more contestants) or final (1 to 8 contestants) – **No 1st round !**

The organiser reserves the right to reduce the number of Poomsae to be performed in the preliminary and / or the semi-final round to one (1) form.

Para Intellectual Impairment P20-Division

Only final (one round) regardless of number of athletes, one (1) Poomsae of free choice.

Procedure in Case of Equal Score – Recognised Poomsae

- a) In case there is a tied score after the completion of the preliminary round at the last place of the best 50%, respectively on the 8th rank of the semi-final round, the higher points in presentation will be the determining factor for advancement to the next round. If this score is equal as well, all athletes in question will proceed.

b) In case there is a tied score after the completion of the final round on the rank 1, 2, or 3, the contestant who is awarded more points in presentation shall be declared the winner. In case the score is still tied, then the one who has higher total points (including highest and lowest points) shall be the winner. If it's still tied then a rematch between the contestants in question shall be conducted. The referee will decide on the Poomsae to be performed (in any case one of the compulsory Poomsae).
